### A donation/benefit correlation:

What would $25, $50, $100 etc buy to support your mission?
UFCC Contributions
UFCC donors may give to the UFCC through:

A designated gift – naming the recipient agency
An undesignated gift – to the general campaign fund
**Designated** funds

All agencies receive the funds that are designated to them whether they are independent of part of a federation.
**Undesignated** funds
These funds are distributed to agencies or federations based on the percentage of **designated** funds received by each agency.

Children’s Home Society
In 2017, agency donations were increased by 24% due to the addition of undesignated funds.
If an agency is affiliated with a federation – the CHC or United Way - the federation is given that agency’s funds for distribution according to their federation agreements.
INDEPENDENT agencies receive funds designated to them AND they receive their earned percentage of the undesignated funds.
Community Health Charities receives funds for their agencies. They distribute to their agencies all funds designated to them AND all earned undesignated funds.
United Way receives all the designated funds for their agencies and distributes them to the agencies.
United Way also receives all undesignated funds earned by their agencies. The undesignated funds are distributed to meet community needs - through the United Way community impact fund.
The Community Impact Fund is overseen by a group of volunteers who evaluate program outcomes, impacts and budgets to ensure that funds are directed at programs creating measurable results in the community.

UF Campaign for Charities Helps You Make a Difference

Leadership campaign: September 2nd - September 30th. General campaign: October 7th - 28th.

This year’s goal is to surpass the $1.036 million donated by generous UF employees in 2013 to benefit our agencies. The agency you designate will receive not only your gift, but also an equal share of the non-agency-specific contributions - historically increasing your gift by approximately 40%.

Each fall, UF sponsors the UF Campaign for Charities (UFCC) to raise money for nonprofit health and human service oriented organizations in Gainesville and surrounding areas. The campaign allows employees to give to one or more campaign charities through payroll deduction, cash, check, or bank card.

Since 1985, the UFCC has provided employees with a convenient way to make a big difference in our community. In each of the last seven years, the campaign has brought in more than $1,000,000.00 in contributions. All money raised through the UFCC supports the work of agencies in our region that provide a wide variety of services ranging from child care, recreational opportunities, counseling, and legal help to environmental protection, disaster prevention, and medical assistance. In addition, some of these agencies partner with UF through the funding of research projects focused on curbing disease or improving the quality of life for those affected with disease. The agencies in the UFCC cover such a wide spectrum of support services that it is likely that every one of us has been touched by at least one of these agencies.

UF CAMPAIGN FOR CHARITIES INVITES CAMPUS COMMUNITY TO “GIVE FOR THE GATOR GOOD”

The UF Campaign for Charities (UFCC) is the only official charitable giving drive for UF employees. It allows employees to contribute to the UFCC, a voluntary and can be done through cash, check, direct bill, or payroll deductions.

To be eligible for the UFCC, agencies must provide programs or services in the North Central Florida area. Alachua, Bradford, Clay, Columbia, Gilchrist, Levy, Marion, Putnam, and Union counties.

The 2018 Leadership Campaign kicks off Aug. 31 and runs through Sept. 15, and the general campaign runs Oct. 5 through Oct. 30. Your generous giving continues to make a difference to so many lives in our community here in Alachua County and beyond.

Please contact the Office of Community Relations at (352) 392-4267 for more information.

Campaign urges employees to help others

GAINESVILLE, Fla. — The 20th annual Campaign for Charities general campaign begins Oct. 10 to offer University of Florida faculty and staff the opportunity to donate to local and national charities.

UF employees raised more than $1 million in 2011, topping similar campaigns at other SEC universities for the seventh consecutive year. Donations were up 2 percent from 2010, and 27 percent of employees contributed.

This year’s goal is to pass the $1 million mark again to help 85 charitable agencies, including the American Cancer Society, Gainesville Police Foundation and Alachua Conservation Trust.

“Think our campaign is successful because it includes such a variety of agencies—reflecting many different areas of interest and commitment of our employees,” said Susan Grayve, UF’s assistant vice president for community relations. “Because of this connection, employees feel generously given to support our community charities even through the worst of the economy.”

Different departments and colleges throughout campus are raising money in a variety of ways. For example, the registrar’s office and the Office of Admissions have split into four teams to compete in the Office Olympics, and the Physical Plant Division has hosted a golf tournament.

Faculty and staff can donate through payroll deduction, cash, check or credit card. Donations are made online through www.cfuf.edu, or the campaign’s website, www.cfuf.edu.

Payroll deduction gives employees the opportunity to donate every pay period throughout the year rather than write one large check.

Donors can give to one agency or to a general fund that supports all 85 agencies.

Agencies are chosen by a committee after they submit an application for approval. All agencies are reviewed with the staff, have non-profits and must meet criteria over.
