INVEST IN OUR COMMUNITY | EVERY DOLLAR COUNTS

2023 UF Campaign for Charities

You Make a Difference - Every Dollar Counts

Leadership Campaign: September 5th - September 22nd; General Campaign: September 25th - October 13th

\$1 million a year - that's approximately how much University of Florida Employees contribute to our community via the UF Campaign for Charities (UFCC). Does that make a difference in the lives of our local neighbors, animals, and loved ones? You bet it does – but we can do better!

With the escalating cost of living, this year's campaign goal peaks above \$1 million to help meet our community needs, which are more important now than ever. Every gift makes a difference. The 99 agencies receiving these funds provide a wide variety of services to the greater Gainesville community, including medical assistance, legal help, environmental protection, food for the hungry, shelter for the abused and homeless, hospice care, pet services and school readiness for children. Your gift is especially critical to support the work of these agencies in helping our community during this challenging time.

Leading the SEC with than \$28,000,000 raised since 1989, UFCC has remained successful in part due to the payroll deduction giving program. By giving in small amounts throughout the year, you can make a big impact. Donors may designate a specific organization or give to the overall campaign, which provides additional funds to each agency.

If you are inspired and in a position to give, please join me in making a gift to the 2023 UF Campaign for Charities. If you already contribute to the UFCC, we thank you for your generous support, and ask you to please consider an increase to your contribution for an even deeper impact.

Payroll Deduction Pledge

To make a gift via payroll deduction, enter the amount you want deducted from your paycheck in the "Deduction Per Paycheck" box, or enter the total amount in the "Total Annual Pledge" box and we'll calculate the payroll deduction automatically. To donate a percentage of your salary, use the salary percentage tool to calculate the amount of your gift by entering your salary and the percentage you would like to donate. Click Calculate and the tool will automatically calculate the amount that will be deducted from your paycheck based on the number of pay periods.

Please note: Your agency and amount designations will continue to roll over from year to year unless you stop your pledge now through the online giving system. After the campaign ends, you can cancel your pledge by contacting UF Human Resource Services at employment@ufl.edu or calling 352-273-2841.

ePledge does not keep your salary information; this is simply a tool to calculate the percentage of your salary.

Your prior year Campaign Commitment: \$260.00
If you would like to see your designations for prior years, click on the [giving history link](#) in the top menu.

Give a percentage of your annual salary!

NOTE: This is a calculator to compute the deduction per pay period (in dollars) and will not save salary information entered.
