INVEST IN OUR COMMUNITY | EVERY DOLLAR COUNTS

2024 UF Campaign for Charities

You Make a Difference - Every Dollar Counts

Leadership Campaign: September 3rd - September 20th; General Campaign: September 30th - October 18th

As a University of Florida employee, you are part of a mighty force for good. Each year, UF employees contribute approximately \$1 million per year to the Gainesville/Alachua County community through the UF Campaign for Charities. That makes a tremendous difference for our neighbors, loves ones, animal friends, and public spaces. But we can do better!

Each year, the cost of living and the cost to charities for the good they do increases, and we must keep pace. Surpassing our \$1 million goal is more important than ever. The 99 agencies that UFCC supports provide a wide variety of services for people in Gainesville and Alachua County, including shelter for the abused and homeless, food for the hungry, protection of the environment, help for people with legal challenges, hospice care and so much more. Your support for these causes is especially critical in these challenging days.

The UF Campaign for Charities effort each year is called Gators Give because that's what you do. And you're really good at it: we lead the SEC with more than \$28,000,000 raised since 1989. The payroll deduction program is a key to our success. When you give in small amounts throughout the year, it adds up to a big impact for the Gainesville community. Through Gators Give, you can contribute to specific organizations or give to the overall campaign, which provides funding to each agency.

If you are already contributing to the UFCC, thank you for that generous support, and we ask you to please consider an increase in your contribution to keep pace with increasing costs and make an even bigger impact. If you are in a position to give for the first time, please join me in making a gift to the 2024 UF Campaign for Charities. What you contribute through UFCC will resonate through our community.

Payroll Deduction Pledge

To make a gift via payroll deduction, enter the amount you want deducted from your paycheck in the "Deduction Per Paycheck" box, or enter the total amount in the "Total Annual Pledge" box and we'll calculate the payroll deduction automatically. To donate a percentage of your salary, use the salary percentage tool to calculate the amount of your gift by entering your salary and the percentage you would like to donate. Click **Calculate** and the tool will automatically calculate the amount that will be deducted from your paycheck based on the number of pay periods.

Please note: Your agency and amount designations will continue to roll over from year to year unless you stop your pledge now through the online giving system. After the campaign ends, you can cancel your pledge by contacting UF Human Resource Services at employment@ufl.edu or calling 352-273-2841.

ePledge does not keep your salary information; this is simply a tool to calculate the percentage of your salary.
